**BUILDING TODAY  
FOR A BETTER  
TOMORROW**

## WHO ARE WE

Introducing Redstone, a pioneering integrated facilities management company established in 2023. With a rich history of delivering trusted quality service, we have evolved alongside, embracing growth and innovation.

Our distinctive approach sets us apart in the market, anchored by an unwavering dedication to providing comprehensive construction solutions. Backed by a seasoned project management team and cutting-edge business processes, we ensure seamless execution from design to ongoing maintenance. Our comprehensive offerings span Mining Services, Construction and Property Services, End-to-End Construction Solutions, and product supply all delivered by an Indigenous Business.

# **COMMITTED TO EMPOWER**

## **Our Mission**

We are committed to delivering top-tier service facilitation solutions, with a focus on excellence, innovation, and sustainability. Our goal is to not only meet but exceed client expectations, while also empowering our workforce to achieve their fullest potential.

## **Our Vision**

To be the industry leader in integrated facilities management, renowned for our dedication to safety, quality, and environmental stewardship, fostering long-term success for our clients, employees, and communities.

## **OUR CORE VALUES**

### **OUR BUSINESS WITH PURPOSE**

We prioritise safety and the environment, operating responsibly to manage risk whilst supporting our clients to facilitate greater Indigenous engagement in the Mining, Civil and Construction industries.

### **WE ARE FAMILY**

We show and support each other and have each other's backs.  
We care for each other and the environment we work in and celebrate our diversity because it makes us stronger.

### **WE RESPECT**

We hold the utmost respect for the Indigenous traditional owners of country throughout Australia and their continuing connection to land and sea. We pay respect to them and their cultures, to elders, past and present. We uphold and respect our team as they are Redstone Facilities Pty Ltd, with a strong respect also held for the clients with whom we work with.

### **OUR MASSIVE VISION**

We aspire to grow, develop and promote the future goals of our company within our team so all share in the process.

### **WE ARE ACCOUNTABLE**

We take ownership of our actions, choices and behaviours and deliver on our promises and commitments.

### **WE EMPOWER**

We set pioneering goals, promote high performance and support our people to generate new ideas and leadership.

## OUR SERVICES

We strive to provide tailored project management solutions for our clients, with head offices in VIC and WA, and other locations in QLD and SA set to be launched very soon.

# HEALTH, SAFETY & ENVIRONMENT

---

**Redstone** endeavors to maintain a Quality Work Health and Safety System with our employees' wellbeing integral to the success of our business. We are committed to the safety and reliability of all businesses and employees we work with.

We prioritise the physical and mental safety of our employees, fostering an environment where every team member feels valued. With a cultured leadership team, our presence aims to have a positive influence on our clients, service providers, suppliers, our people, and the community.

**SAFETY  
FIRST**

**QUALITY**  
**COMPLIANCE**  
**ACCOUNTABILITY**

## **ENVIRONMENTAL COMMITMENT**

We are committed to protecting the communities' living standards and the environmental heritage of future generations.

We aim to conduct a profitable business that demonstrates its commitment to protecting the quality of the air, water, and soil environment, using quality products that minimise the environmental impact of all operations.
